Dear Sir:

The Stadium in Greensboro in not available for Base_Ball after Labor Day. They will put up goal posts for Foot_Ball. I am going to contact Winston_Salen and think the game will go over big in Winston. I aminterested and would like to promote the game and hope I will have the same chance next Spring.

Friday nights are Winston Salems' best night . They have a good local team and if the Crackers cant' play on that date I am sure they will be glad to play the game. The Stadium in Winston is available most any time as there is no Foot Ball to interfere. I can advertise well in Greensboro and they can advertise Winston. I would prefere you making the cards and will send you data .

Very truly
H C Eccles

P.S. Winston Pond Giants won from Crackers this week and they will draw more than Crackers.
